1 – 18” square of backing fabric, batting, reveal fabric and top fabric

Templates and Tools

Westalee Design Circles and Straights Tool

Westalee Design Hearts Templates 1”, 2” and 3” heart

Westalee Design 8-point cross hair ruler

Marking Pen/Chacoliner

Sew Steady TempLee Fuse

Marking

Using the 8-point cross hair ruler mark 16 rotations. Number the rotations from 1 to 16 beginning at the top of the vertical cross hair line.

Stitching

1. Using the Universal Circles and Straights Tool, stitch a circle at 16”, 8” and 6-1/2”.
2. Beginning on line 1, stitch one rotation of the Westalee Design 2” heart template on line 1, 5, 9, and 13.
3. Beginning on line 1, stitch one rotation of the Westalee Design 3” heart template on line 1, 5, 9, and 13.
4. If desired, beginning on line 1, stitch one rotation of the Westalee Design 1” heart template on line 1, 5, 9, and 13.
5. Stitch the Westalee Design ½” Between the Lines circle between the 8” and 6-1/2” circles. When nearing the beginning, shift circles as necessary to ensure a nice transition between the first and last circle.
6. Beginning on line 1, with the bottom tip of the Westalee Design 3” heart template on the stitched 8” circle, Stitch one rotation on cross hair line 1, travel to cross hair line 2 and stitch one rotation of the Westalee Design 1” heart template. Repeat stitching a Westalee Design 3” heart template on the odd numbered lines and the Westalee Design 1” heart template on the even numbered lines, traveling on the 8” circle to the next cross hair line until 16 lines are completed.
