# DMC Machine Embroidery Thread Shopping Page

---

**DMC Art. 237 50 wt. Cotton Machine Embroidery Thread** is our primary thread line.

The colors listed include all of the colors listed in our Vermillion Stitchery Collections. Some colors listed in our PDF Collection Reports are not available in the DMC Art. 237 Color Range.

When there is a good match within the DMC Art. 237 Range, we list that color. If there is not an adequate DMC Art 237 color match, we offer substitutes in either Mettler or Aurifil thread lines. All three thread brands stitch well together and compliment each other in terms of color matches and weight of thread.

## SINGLE SPOOL PRICING

From 1 to 9 Spools

**DMC Art. 237 - 50 wt. 547 yard spools**  
Price \$3.00 per spool

**Mettler Art. 240 - 60 wt. 219 yard spools**  
Price: \$2.20 per spool

**Aurifil Cotton Mako - 50 wt. 1442 yard spools**  
Price: \$3.00\* per spool

\*The Aurifil Cotton thread should be available in smaller spools in a couple of months, and we will offer them as soon as we receive them.

## **Possible Delay in the Shipping of DMC Thread Orders...**

*We have had a great deal of difficulty lately in obtaining all colors of this thread from DMC in a timely manner. We most profusely apologize for this situation. We have made every effort to keep all of the colors in stock, but it sometimes can take 10 weeks or more to receive the thread we order. Some colors are stocked here in the USA, but other colors must be ordered directly from France. We were recently informed that the factory in France is closed for the entire month of August which accounts for a further delay in the receipt of some of the colors. **Please be prepared for a long shipping time for thread orders-possibly up to 6-10 weeks.***

*PayPal orders are charged to your PayPal Account upon placing your order through the PayPal*

system. Please note that **Credit Card** orders are **not charged** until we ship your order.

**If you would prefer us to ship only the threads we have in stock, please make a note saying "NO BACKORDERS" on your order form. We will ship the colors we have in stock and charge you only for those colors. You may order any colors we cannot ship at that time, at a later date, if desired.**

Check the box next to each spool of thread you want to order then go down to the bottom of this page and click on "Add to Cart"...

If there is no Check Box next to the DMC color in the left column, a substitute color is given in the right column.

PLEASE NOTE: We are not including the Gold or Silver Metallic thread because most stitchers have their favorite brand of Metallic thread. Please let us know if you would like us to carry it as we do not include the Metallic threads in our inventory.

**SHIPPING COSTS** vary by destination and are quite high and should be considered in your purchasing decision. We are in the process of preparing a table of estimated shipping costs but final costs must be determined by weighing the actual package. Your order will be adjusted to the actual shipping costs.
