Works on multiple floor surfaces

Hardwood floors

Tile and ceramic floors

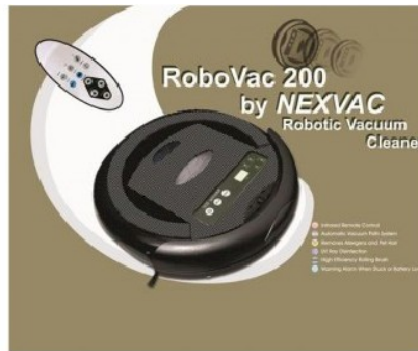

Low pile carpet

Robovac 200 is your personal robot that sweeps and vacuums so you can spend your time doing better things. From short pile carpet to hardwood to tile, RoboVac 200 handles a variety of surfaces with ease.

Robovac 200 goes under beds and other places where upright vacuums can't go. RoboVac 200 cleans dirt, dust, and pet hair while simultaneously killing bacteria and deodorizing with its ultraviolet light.
